NUMBER 7

School Dist. 36 Protest Results in Call for Meeting

**Pres. Kempf Summons All
Parents for Conference
Friday Night**

A meeting of patrons of the Grass Lake school Dist. 36 has been called for 8 p. m. tomorrow at the school by Charles Kempf, president of the school board.

The meeting was arranged after 25 parents, mostly the mothers, went to the Petite lake resort of President Kempf and protested the fact that their children had to sit on benches instead of seats with the result that they came home fatigued and cramped.

Kempf told them, it is said, that there are only enough seats for 40 of the 90 pupils and that while enough seats have been ordered they have not arrived.

The new school building only has two class rooms and they are crowded already with more pupils expected to enroll. Asked if the library could be used as a class room or the old building put into use to take care of the overflow, Kempf said this would necessitate the hiring of another teacher for which there is no money.

Complaint was made that the one drinking fountain is not enough for the number of children.

Members of the board are said to welcome suggestions at tomorrow evening's meeting but say they are working under the handicap of lack of money and delay in shipment of equipment.

Tomorrow evening is the time for the regular meeting of the Parent-Teacher association and since all parents are expected to be interested, the meeting probably will be combined.

V.F.W. to Begin 1949 Membership Drive with Dinner Monday, Sept. 20

**Tony Novak, State Dept. of
Conservation, Speaker
To Be Guest**

The Sequoit Post No. 4551 of the V. F. W. will observe the start of its 1949 membership drive by having the first of its planned monthly dinners and business meetings at 7:00 p. m., Monday, Sept. 20, at the Antioch Guild Hall. All members are urged to bring along at least one potential member as a guest.

The dinner will be served by the ladies of the V. F. W. Auxiliary, who have been kind enough to offer their time and services to the post.

Following the dinner the posts regular monthly business meeting will be conducted.

At 9 p. m. members and guests will be entertained by Mr. Tony Novak, well known Illinois Department of Conservation, speaker. Mr. Novak will give a talk and show movies on wild life in the State of Illinois. The V. F. W. will welcome all guests who would like to attend Mr. Novak's talk.

Antioch to Play Deciding Game at Silver Lake, Wis. At 2:30 Sunday Afternoon

It is going to take a third game to decide the supremacy between Silver Lake and Antioch's V. F. W. sponsored baseball team, it will be played at 2:30 p. m., Sunday at Silver Lake, Wisconsin.

Antioch has a vastly different team from that which Silver Lake defeated at the outset of the season 16 to 3. It was at a time when Antioch lost her first five games in a row.

But the tide turned and Antioch has 12 victories with nine of them in a row. They included a defeat of Silver Lake 10 to 6, and the game Sunday with the third and deciding battle.

Tax Protest Committee to Report Sunday at Grass L.

A report of a committee that investigated legal steps in the procedure to recover what many persons thought were excessive taxes will be given at 2 p. m. Sunday at the Grass Lake school building.

The committee will outline the procedure under which those who protested their taxes may carry on. Anyone who paid under protest will be entitled to be present.

Rehearing of Airport Petition Granted by Dept. of Aeronautics

**Petition of Herman Holbek
And Others Gains
Review**

A rehearing of the application of Bruce F. Artis to establish an airport west of Antioch was ordered this week by the State of Illinois Department of Aeronautics on the petition of Herman Holbek and other objectors.

The department gave its approval on Aug. 11, following a hearing on the petition of Artis at Chicago. At that time it said that the mere assumption that an airport would depreciate the value of surrounding property was not sufficient to deny the application, but said that a rehearing on other grounds of complaint could be made.

The notice sent out Sept. 9 did not set the time for the hearing.

Donald E. Bodgett in announcing the department's earlier decision said that the plans for Artis' airport met all required specifications as to length and width of runways.

Holbek said today that his name was attached to the petition as chairman of the aeronautics committee of the Lions club and that he personally would have nothing to do with the matter. He said he was going on a vacation and would not be at the hearing, but it is presumed interested members of the club will be there.

Just what the nature of the complaint on the hearing would be Holbek did not know.

Sequoits at Grayslake Saturday for Opening Of Football Season

**Team Shows Greater Pro-
gress Than Last Year,
Coach Kruzan Says**

Antioch High will go to Grayslake Saturday afternoon bent on winning the first game of the season against the Community high school there. Coach Maurice Kruzan said his squad is farther along this year than last year in its development and he is expecting a good performance. The game will start at 2:30 p. m.

In addition to drill on offense, Coach Kruzan is spending a lot of time on defensive tactics. It is all new to the Sequoits and the Grayslake game will be a test as to their effectiveness.

The starting lineup probably will comprise: Wilton, left end; Buchta, left tackle; Mahoney, left guard; Scott, center; Reidel, right guard; Wolf, right tackle; Bener, right end; Radke, quarterback; P. Poulos, fullback; Wieczak, right half; T. Poulos, left half.

Assistant coach Polley arrived with the opening of school and is giving valuable assistance in his coaching of the reserves.

The Sequoits will meet Warren township on the following Friday afternoon and Coach Kruzan is attempting to arrange a game with Wauconda for an early date. Wauconda is just organizing and will also meet Ela township, a newcomer in football this year.

Work of putting up the new bleachers for the Antioch gridiron is in progress.

Coach Kruzan recently attended a meeting of coaches of the Northwest conference in which William Lehman of Lake Zurich was elected president, and Walter Waddington of Wauconda was made secretary.

Parent-Teacher Society Will Hold First Meeting On Monday, Sept. 20

The first meeting of the Antioch Parent-Teacher association for the new year will be held at the grade school Monday evening, Sept. 20.

There will be a specialty number by Jill Gaston.

Many reports and other business matters are on the agenda. The new chairman of committees will be introduced.

Richard Whitacre, principal, will speak on the subject, "Know Your School." It will be followed by a discussion on questions parents wish to ask. Parents are urged to attend this most interesting meeting.

Lions Golf Tournament

The Lions Club will have its golf tournament Monday at the Chain O' Lakes Country club followed by a meeting.

Dedication Program
Leila J. Anderson Memorial
Scout Home
Sunday, September 19, 1948

Dedication	Dr. Preston Bradley Pastor People's Church of Chicago and Noted Radio Commentator
Instructions and Remarks	C. K. Anderson
Benediction	The Rev. E. Wm. Strausser

(Inspection of the building before and after the Dedication Ceremony)

Patsy May Cummings And Mother Awarded Radio Program Gifts

Patsy May Cummings' heroism won for her and her mother a dozen valuable items last Saturday on the Abbott and Costello Kid show. When the story of the little girl's rescue of her little brother was told over a Chicago outlet of the American Broadcasting Co., Patsy became the youngest person ever to have been recognized for outstanding service by the Abbott and Costello foundation.

Because the gifts were selected for a person much older than she, they are some that Patsy will have to "grow into."

They included a portable radio, a Stromberg-Carlson radio, a bicycle, a 17-jeweled wrist watch, a compact, and neckless, set with coins of heads of all the presidents of the United States. The mother was awarded a pushbutton vacuum cleaner, and a sterling silver service for eight. None had arrived yesterday.

Mrs. Cummings received a card yesterday offering to sell her a recording of Patsy's winnings on the Hearts Desire program of which WGN, Chicago is the outlet radio station. Mrs. John Delaney of Chandler lake had sent a letter to this program seeking a bedroom set for Patsy May. She had no reply and had not heard of the request being granted. The recording of the name would indicate that it had.

Members of the Lions club are urging that contributions to the Patsy May fund be made this coming week so that the campaign can be closed.

New Gas Engine Factory To Be Started in Ford Garage Basement Soon

Room has been prepared in the Ford garage building for the factory of the new Gresengine Corp., which is to be placed in operation next week according to the founders, William M. Dusek and Edward Gresens.

A meeting of the finance committee was held today at the First National bank in selecting officers and directors for the new corporation.

The factory will manufacture two-cylinder and one-cylinder gas engines which are said to be the only completely portable utility engine. Dusek said that he still has some stock that will be offered to the public.

The engine was patented by the two men who are residents of Antioch township.

Precinct Voters Registration

Elsewhere in this issue is a legal notice giving instruction as to date and place of registration for voting in the coming national election. It should be read carefully.

First Annual Northwest District Scout Roundup Set for This Weekend

**Boys Camp Over Night and
Then Return to Antioch
For Dedication**

The first annual northwest district fall round-up of Boy Scouts of America will be held Saturday and Sunday at the camp on Williams rd. of Rte. 83, Scoutmaster Harold Cardiff announced.

The program will open officially at 2 p. m. Saturday and will close with the scout house dedication service in Antioch Sunday afternoon. The theme of the event will be exemplification of the activities of Boy Scouts.

Camp will be established between 9 a. m. and 2 p. m. Saturday. A brief assembly will take place at 2 o'clock with Scout Eugene Baethke of Antioch acting as official bugler.

A venture trail for the scouts under the leadership of the northwest district will call for fifteen minutes each in the following activity.

Knot and rope work under Scout Master John Celba; Wood whittling under Scout Master Les Bergman; signaling under Troop Chairman Howard Inwood; cooking without utensils under Scout Master George Vanderlie; and first aid demonstration by the Antioch squad under Scout Master Harold Cardiff.

At 4 p. m. the evening meal will be prepared and the camp cleaned. Fred Pels will direct the free time activity from 7 to 8 p. m.; and the Camp fire lighting at 8 p. m. will be under the direction of George Vanderlie. The outstanding part of this program will be the court of honor by Walter Symons and the story by Bud Spenny. Stunts will close with the ritual by R. Whitney, scout commissioner of the North Shore Area council.

On Sunday morning the Scouts will go to the churches of their choice after which they will be free time and games directed by Robert Wright, a guest scout leader from Lake Bluff. There will be assembly at 11:30 a. m. for dinner after which the camp will be cleaned and the troops leave for the village and the dedication services. Camp will be broken at 5 p. m.

Warren Wells to Appear On Chicago Radio Show In Interview Saturday

Warren Wells, son of Mr. and Mrs. Curtis E. Wells of Rte. 173, east of the village, is to team with Miss Naomi Brausch, daughter of Mr. and Mrs. John Brausch of Grayslake as Lake county's 4-H representatives appearing on the "Hobby Horse Presents" program over WMAQ at 8:45 a. m. Saturday.

The two will interview Clara Ingram Judson of Evanston, author of "The Reaper Man," the story of Cyrus McCormick. Mrs. Judson wrote to Warren, complimenting him on his fine 4-H record which won for him the right to represent the county and sent him a copy of her book.

Chicago Angler Catches Jackpot Bluegill, Wins Several Antioch Prizes

Five prizes from Antioch firms were included in the "jackpot fish" award won by August Jeutter of 10416 S. Talman ave., Chicago, when he caught a bluegill at Fox Lake tagged in the state fishing rodeo. Jeutter received 10 prizes in all for his lucky catch.

The awards with which Jeutter was deluged included a Johnson Sea Horse outboard motor contributed by Johnson Motors of Waukegan, a \$25 U. S. Savings Bond donated by the First National Bank of Antioch, a True-Temper rod from the Otis hotel, a tire and tube for his car, from Elmer Rentner, a Gep rod and reel from the Old Orchard Inn, a flashlight from Ted's Sweet Shop, two casting rods from Robert LaParr and a Ranger casting reel from Bill's Welding Shop, all of Antioch.

Pleasant Surprise
When Jeutter brought his fish with tag No. 1115 in its gill, into the Chicago office of the Illinois Department of Conservation, 160 N. LaSalle st., sponsor of the rodeo, he was dumbfounded to learn that he had won a jackpot of prizes.

Jeutter is an optician and lens maker for the Coe Optical Manufacturing Co., 1500 W. Fifty-ninth st. His favorite sport is fishing and he makes trips as often as he can with his son, Ernest, 17. Father and son now are going after some of the other tagged fish which will win for their captors prizes ranging from boats and outboard motors to rods, reels and other outdoors equipment. The Illinois Fishing Rodeo, scheduled to end September 15, has been extended by Conservation Director Livingston E. Osborne at the request of many anglers who maintain that the state's best fishing is in the autumn.

Antioch Rescue Squad Gets New Truck Today From Stoughton, Wis.

**Several Days Work Here
Yet Before Apparatus
May Be Used**

The Rescue squad's new truck is to be delivered here today from Stoughton, Wis., where the body was built by the Stoughton Body Works.

Several days will be taken by the R. and J. Chevrolet garage in completing the mechanical parts of the machine before it will be ready for use.

Capt. Herman Holbek said that the truck will be as complete an instrument for first aid and rescue work as modern science can make it, and believes that the community will be proud of it.

The truck will be kept where the old one was, but Holbek said he has hopes that the squad will be provided a building for the truck and other equipment.

Fire Department to Be Host to County Group Monday, September 27

The Antioch fire department will be host to the Lake County Firemen's association in its monthly meeting Monday evening, Sept. 27. Representatives of all of the departments of the county will gather to hear an address by some authority on fire prevention procured by President Jim McMillen. Refreshments will be provided by the local group.

Plans are being made to have the meeting in the American Legion hall.

During Tuesday evening's business meeting members were informed by Secy. Clarence Shults that unsolicited cash donations had been received from Horsman's at Lake Marie, Mrs. M. Haven, Rock Lake, Cross Lake Improvement Association, Miss Ethel Adams, Lake View subdivision, Earl Gibbs and Harry Petake in appreciation of services given them by the department.

Fire calls were made Saturday at the Hill farm and Tuesday at the rear of the Horton Welding shop in extinguishing grass fires.

New Scout House To Be Dedicated Sunday Afternoon

**Large Crowd Expected to
Witness The Ceremony,
See Building**

Formal dedication of Antioch's new scout house at 745 Main street will take place at 2:30 p. m. Sunday and if weather conditions are favorable a large audience is expected in response to the many invitations sent out this week.

Finishing touches are being given to the building this week with the promise of everything being in readiness for inspection by the public Sunday.

A gift by C. K. Anderson as a memorial to Mrs. Anderson, the scout house also represents large contributions of time and labor by residents of the area.

As a place for future meetings of the young people and of women's societies the new building will fill a much needed want. It will be a living memorial.

The program will open with a few selections by the Antioch High school band under the direction of Hans Von Holwede. The flag will be raised and colors presented by boy and girl scout troops followed by the pledge of allegiance, and playing of the national anthem by the band.

Building History
The Rev. L. H. Messersmith will give the invocation.

An account of the history of the building and introduction of those who served in preparing the way will be given by Dr. D. N. Deering, chairman of the building committee.

President George B. Bartlett, village president, will give the acceptance speech, followed by an address to the scouts by the Rev. Francis M. Flaherty. The deed and keys will be presented to C. K. Anderson, donor, who heads the board of trustees in charge of the foundation.

The dedication speech will be delivered by Dr. Preston Bradley, pastor of the People's church of Chicago.

The Rev. E. William Strausser will pronounce the benediction.

Arthur Mapletorpe, 24 Dies Unexpectedly at Home Sunday Evening

Death came suddenly at 9:30 p. m. Sunday to Arthur (Bud) Mapletorpe, Jr., 24, well known resident of Parkway ave.

After having been in apparently excellent health while entertaining guests during the evening, Mr. Mapletorpe was in conversation with his wife when he suddenly collapsed. Members of the Rescue squad applied resuscitation methods but they were ineffectual, a blood clot having stopped heart action.

Arthur Mapletorpe was born June 12, 1924 in Chicago to Arthur and Mary Mapletorpe of Antioch and this village was his life residence. During the second World War he served in the U. S. navy aboard Admiral Barbee's flag ship, "Blue Ridge."

He entered service in August, 1943 and was discharged in December 1945. He was rated as water tender third class. In Antioch he was employed as a mechanic at the Chevrolet garage.

Surviving are the wife, formerly Patricia Ryan and two children, Arthur III, aged one year, and Carol Lee, aged one month. His parents and two brothers, James and Charles Mapletorpe and a sister, Mary Jean, also mourn his death.

The funeral service was held yesterday at the Strang funeral home with Rev. E. William Strausser in charge.

Hans Johnson To Be Buried Today

Hans Johnson, 60, for the past two years a resident of Channel Lake, was buried this afternoon in Hillside cemetery. He passed away in Victory Memorial hospital, Waukegan, on Sunday.

Funeral services were held at 1 p. m. from the Strang Funeral home, Main Street.

Johnson was born in Fredrikstad, Norway, August 15, 1888, and came to the United States in 1906. He settled in Chicago and lived there until about two years ago when he moved to Channel Lake. He was employed as a carpenter.

Part of the American Spirit

The railroads hold a special place in the imagination of the American people. The whole history of this continent is bound up in the steel rails that span it in all directions. The iron horse brought civilization to great areas and made possible our social and economic unification.

To millions of small boys, their first trip on a railroad train was a great adventure. And few of us are not stirred by the lonely cry of a locomotive whistle in the night. To the people in little towns and on isolated farms the railroad is the connecting link with the great cities, with the seacoasts, and with lands beyond our own borders. It is the railroad that takes our crops to market, and brings us in return the produce of other regions. It is the railroad that can always be depended upon to do whatever job is given it—and to do it with swift efficiency.

No history of the nation can fail to give the railroads a brilliant chapter, and to tell the colorful story of how the lines were built, in the face of almost incredible obstacles, across the plains and deserts and mountains. Then, as time moved on, it was the railroads that made our industrial and agricultural development possible. Finally, when the country became involved in the great tragedy of war, it was the railroads that contributed enormously to the ultimate victory.

The railroads are more than industry, more than a vast commercial undertaking. They are part and parcel of the American spirit.

* * *

It's A Long Way To Arabia

It's a long way to Arabia, and relatively few Americans have ever been there. But American capital and productive genius are taking the lead in developing Arabia's most essential resource—oil.

As everyone knows, oil is the key to world rehabilitation and stability. The American standard of living in itself is largely based on the widespread use of petroleum for a multitude of jobs. Until now, the American domestic oil industry has been able to meet

our own great needs and to supply requirements of other countries. But demand has outrun all expectations. Last year, for instance, though the industry did a remarkably fine job in increasing production, our consumption was just about equal to the supply. In the future, it is probable that we will import a part of our own oil. And Europe will not be able to depend upon this hemisphere for its oil.

That is why a number of American oil companies have pioneered in Arabia. The results so far have been spectacular. Although the development is still in an early stage, it has been found that the Middle East's recoverable reserves are larger than those of the Western hemisphere. By 1951, it is expected that the region will produce 1,620,000 barrels of oil a day. The job is an enormous one—the gap between crude oil in the ground and finished oil products in the hands of users can be bridged only by wells, tanks, pipelines, refineries and ships. But the outlook is that it will be finished on schedule, unless unavoidable delays are caused by material shortages. Once again, Americans are captaining a great industrial team whose work will be of lasting benefit to the entire world.

* * *

The Same Old Story

Dr. E. L. Henderson, of Louisville, recently attended the sessions in Rome of the International College of Surgeons—his third European trip in 14 months as a delegate from American medical groups. On his return from the latest journey he said that if the members of Congress could see how state medicine works abroad they would never think of introducing it in this country. In every European nation where socialized medicine is practiced, he added, there has been a decline in the standards of medical care.

More evidence to the same effect has come from New Zealand, whose government medical program was much praised in this country when it went into effect. The bill for tax-paid medical service rose nearly three times between 1942 and 1947. Even though the politicians had promised unlimited benefits to the voters, they were forced to ask the doctors to restrict services to their patients—a request which the doctors have refused to follow. The burden on the doctors has become so great that in many instances appointments have to be made four months in advance. Patients queue up in the doctor's office whether they need attention or not, on the theory that they have it coming. The whole New Zealand plan has been pretty much of a fiasco, and is now in the process of revision.

The story of what politics does to the practice of medicine is always the same. It can be summed up in a phrase—poorer service and more costly service.

home Sunday evening.

MILLBURN

Rev. L. H. Messersmith's sermon topic for Sunday, Sept. 19, will be "On Reading the Bible."

Members of the church board and their wives were entertained at the Minto home Tuesday evening.

The Congregational ministers of Lake County and representatives from the Pilgrim Fellowship of these churches met at the Millburn church Sunday afternoon to complete plans for the annual Fall Camporee to be held at Camp Hastings Sept. 24-26.

Miss Una Minto and her friend, Miss Loretta Dibble, of Kenosha, enjoyed a two day auto trip through Illinois, and were luncheon guests at Plymouth Place, LaGrange, Ill., Monday and overnight guests with friends at Allendale, Ill., Monday.

Mrs. Harley Clark and daughter, Thelma, spent Sunday afternoon with the former's sister, Mrs. Earl Turnpaugh, at Kansasville, Wis.

Mr. and Mrs. Roy Bonner and family spent Sunday at the A. N. Truax home at Elkhorn, Wis.

Albert and Milton Smith, Ed Jones and James Cunningham have returned to Urbana to resume school at the University of Illinois.

Mr. and Mrs. Vernon Stahnke returned Friday evening to the Leslie Bonner home, after a week's wedding trip through Wisconsin to Lake Superior. They left Sunday morning for their home in Champaign.

Mr. and Mrs. J. S. Denman and Mrs. Bertha Newman called at the George White home at Hebron, Ill., and the Robert White home at Ge-

noa, Ill., Sunday afternoon.

J. Kaluf has been ill with pleurisy the past week.

Mr. and Mrs. F. G. Edwards spent Friday evening at the John Edwards home in Libertyville.

Mr. and Mrs. F. C. Semrow, Sr., and Mr. and Mrs. F. C. Semrow, Jr.,

and Mr. and Mrs. Wm. Schroeder, of Milwaukee, were dinner guests at the W. C. Upton home Sunday. Mrs. Upton returned to Milwaukee with them for a week's vacation.

Mrs. Annie Pape, of Chicago, and Mr. and Mrs. William Thompson and daughter, Helen, of Hickory, were callers at the O. L. Hollenbeck

Subscribed and sworn to before me this 10th day of September, 1948, Lena N. Ekdahl, Notary Public.

Ancient Capital

Santa Fe, capital of New Mexico, is the oldest and most colorful capital in the United States. It was founded about 1609, and became the original terminal for the Santa Fe railroad and a way station for wagon trains.

Land of the Nile

Valley of the Nile and the delta are the real Egypt of 80 centuries. Here are 13,000 square miles of cultivated area. 1,900 square miles are taken up by canals, roads, date and other agricultural plantations, and 2,850 by the surface of the Nile, its marshes and lakes.

England's Public Hangings

When England was hanging hundreds of men annually, every town and monastery and nobleman's estate retained, in a prominent place, the gallows. England's public hangings were ended about 80 years ago when Charles Dickens and others protested the exhibitions.

Football in Hawaii

Football in Hawaii's main sport, and Hawaii's high schools contribute more than their share of stars for mainland colleges. The most famous contribution of recent years was Herman Wedemeyer, all-American back for St. Mary's college.

Discovery of Vanadium

Vanadium, unknowingly discovered by Andres Manuel del Rio in 1801 and confirmed about 30 years later by Sefstrom, is an important part of steels used in armor plate, railway car side-frames and springs of many industrial products.

Electricity and the Cost of Living

While the cost of living has increased 72% during the last ten years, the price of one essential item, electricity, has actually decreased.

Of each dollar spent by the average householder, based on data of the U. S. Bureau of Labor Statistics, less than 1¢ goes to buy the electricity which lights the home, refrigerates food, does the laundry and performs an ever-increasing number of other household chores.

In these days of sky-rocketing expenses, the electricity that does so many jobs in the home is still one of the smallest essential items in the household budget. For the same amount of money, an average family in Northern Illinois today can use more electricity than it could 10 years ago.

In fact, electricity is one essential item in the household budget that hasn't gone up in price.

SOCIETY EVENTS

Bernhagen-Pape Nuptials Read in Church Rites

The marriage of Miss Loraine Pape, daughter of Mr. and Mrs. Henry Pape to Mr. Raymond Bernhagen, of Bellwood, was solemnized Sunday, September 12, in Peace Evangelical Lutheran church at Wilmet, Wisconsin. The Rev. R. P. Otto officiated. Miss Arlene Shennig, of Silver Lake, sang "O, Perfect Love" accompanied at the organ by Mrs. M. M. Schnurr of Wilmet. Given in marriage by her father, the bride was attired in a gown of all white lace with a long train. Her fingertip veil fell from a cut stone tiara, and she carried a bouquet of white gladioli with a corsage of red roses in the center.

Preceding the bride to the altar were the Misses Gertrude Pape, Lorretta Schultz, bridesmaids, cousins of the bride. Their gowns were of aqua lace, they carried fans made of gladioli and chrysanthemums, and their head pieces were of the same flowers.

Harold Bernhagen was his brother's best man and Leroy Schultz, cousin of the bride served as usher. The bride's mother wore green with black accessories and the groom's mother was dressed in grey with matching accessories. Their flowers were pink and white carnations. The church was beautifully decorated with huge baskets of chrysanthemums and lilies.

The wedding reception was held at Pape Villa, under the trees which was a perfect setting for the pink and white color scheme used in the decorations. After the reception the couple left for a two weeks wedding trip to the Ozark's and the Black Hills, after which they will be at home at Pape Villa, Antioch. Mrs. Bernhagen will resume her position as Company Representative for the Illinois Bell Telephone Company. Mr. Bernhagen is employed with the North Western Railroad in Bellwood.

Ralph Trieger, son of Mr. and Mrs. Arthur Trieger, left Friday for Seattle, Washington, where he will major in industrial arts at the University of Washington.

Irene Ryan Is Recent Bride of Robert Gross

In rites Saturday at St. Peter's church of Antioch, Miss Irene Ryan, daughter of Mr. and Mrs. Nicholas Ryan, of Channel Lake, became the bride of Robert Gross, son of Mr. and Mrs. Fred Gross, of Grass Lake. The Rev. Fr. Frances Flaherty officiated.

Given in marriage by her father, the bride was attired in a white marquisette gown fashioned with deep illusion yoke and long sleeves and a full length train. Her fingertip veil fell from a crown of carnations and she carried a bouquet of carnations and stephanotis.

Mrs. William Hynes, served as her cousin's matron of honor. Mrs. Mary Lee Hess, Mrs. Patricia Maples, and Miss Dolores Gross, bridesmaids, wore gowns of green taffeta, their flowers were yellow gladioli and mums.

William Hynes served as best man, and Bud Maples, Charles Smith and Herman Hess served as ushers.

The bride's mother wore a rust colored dress with black accessories while the groom's mother wore aqua with brown accessories, their flowers were yellow roses.

A reception for two hundred guests was held following the ceremony at the Spa. Mr. and Mrs. Gross will make their home at Loon Lake.

Card of Thanks

The parents and grandparents of Billy Johnson want to thank the rescue squad, Dr. Berke and Dr. Goldy for saving Billy's life.

Salem Couple Wed at Holy Name Church

The Holy Name Church at Wilmet was the scene of nuptials Saturday morning that united a Salem couple, Miss June Constance Hackert, daughter of Mr. and Mrs. Fred Hackert, and Raymond Lewis Griffin, son of Mr. and Mrs. William Griffin.

The bride is employed at the Veteran's hospital, Downey, Ill., and her husband is a farmer at Salem. They will live on his father's farm when they return from a three week's wedding trip through the west.

White gladioli decorated the altar when the Rev. Harold O'Connor officiated at 10 o'clock. Music was provided by Mrs. Ross Schenning, organist, and Mrs. George Merk, vocalist. Gardenias held in place the veil worn by the bride with her white satin gown and train, and she carried a cascade bouquet of gardenias. Her father gave her in marriage, and she was attended by Miss Dolores Gardner, maid of honor, and by her sister, Miss Janice Hackert, as bridesmaid. Both attendants wore dull green taffeta frocks with full skirts and cap sleeves. Miss Gardner wore a headpiece of yellow mums, and her bouquet was of the same flowers mixed with gladioli. The bridesmaid had a similar headpiece, and bouquet, except the mums were bronze. Francis Anderson was best man and Donald Pringle was groomsmen. Ushers were Glenn Griffin and Wilfred Hackert. Dinner honoring the bridal pair was served at Our Country Club, and a reception was planned for 200 guests at Bristol Community hall. Guests attended from Detroit,

The cost of SQUEAKS is way up, too!

SQUEAKS in your car mean dollars out of your pocket when you go to trade her in. They're signs of metal wearing away—and it doesn't take much of that to put a car on the junk heap.

So don't wait until your car groans for lubrication. Drive in now for a check-up. Our lubrication man will turn his eagle eye on everything—oil filter, engine, transmission, differential, chassis . . . the whole works. He'll renew, refill and repack wherever necessary. Your small investment will get you a sweeter ride now, and a sweeter trade-in deal on the big day when your new Chrysler arrives!

Farnam Kinney, from Onawa, Ia.,

visited the Curtis Wells family Sunday afternoon until Monday afternoon.

Mr. and Mrs. William Thompson and Miss Helen, and Mrs. Pape visited the Owey Hollenbeck's at Millburn Sunday evening.

Fuel in Central America

Since Central America has no proved coal or oil deposits, wood (or charcoal) was once the only fuel of home and industry alike. Later, some hydroelectric power was developed, particularly in Costa Rica. Imported kerosene, however, long ago became the indispensable household fuel.

Ravenscroft Farm Cow Yields High Fat Test

Brattleboro, Vt.,—A registered Holstein-Friesian cow in the dairy herd owned by E. H. Ravenscroft, Antioch, has recently completed a 365-day official production test of 673 pounds of butterfat and 18173 pounds of milk in Advanced Registry Test, The Holstein-Friesian Association of America announces.

Her name is Ravanglen Senatora Marvel, and she completed the test at the age of 4 years 5 months, on 3 milkings daily.

Testing was supervised by the University of Illinois in cooperation with The Holstein-Friesian Association of America.

Local Delegates to State Legion Auxiliary Meeting To Report Next Friday

More than 1200 delegates and 319 alternates attended the four-day session of the American Legion Auxiliary of Illinois at the Palmer House in Illinois.

They included the four delegates, Mesdames L. R. Van Patten, Lucy Himens, Frank Kennedy and Al Swenson, and the alternate, Mrs. Anton Johnson. Mrs. John L. Horan was present as the tenth district director.

The next meeting of the local auxiliary will be held at the Legion home on Friday, Sept. 24 when reports of the convention will be given.

Arthur Clarke Undergoes Operation

Arthur Clarke, eleven year old son of Mr. and Mrs. Thomas Jordan, of Antioch, underwent a major operation at Wesley Memorial hospital, Chicago, last week. For the past two years Arthur had suffered from a bone infection. He is recovering, but will remain in the hospital for another ten days.

Mrs. Cummings Gets Divorce

Mrs. Elsa H. Cummings of Hickory Corners was granted a divorce from Lloyd T. Cummings Monday by Judge Ralph J. Dady in Lake County circuit court. She charged desertion, saying they were married April 19, 1943 in Minnesota, and he left her on Sept. 25, 1946.

She was granted custody of the two children, the already famous 4-year-old Patsy May, and Jimmie.

Boat and Motors Stolen From Fox Lake Boathouse

Arnold Miller of 4803 So. Seeley ave., Chicago, is offering \$200 reward for information leading to the recovery of a Grauman aluminum canoe and two motors stolen from his boat house on Fox Lake.

The motors are a Scott Atwater 3 1/2 hp. and a Johnson 5 hp.

Miller said the boat and motors were taken sometime between Sept. 6 and 11 by persons breaking into the boathouse.

Mr. and Mrs. M. C. Knirsch and son, Jimmie, returned to their home at Newburgh, New York, after spending the past three weeks with Mrs. Knirsch's parents, Mr. and Mrs. Walter Selter at their home at Grass Lake.

Rev. and Mrs. W. C. Henslee were callers at the Antioch News office Tuesday morning. The Henslees spent the past ten months in Florida with their son and family. They plan to spend about three weeks in Antioch before leaving for Kansas where they expect to spend the winter.

Mr. and Mrs. Joseph Kincl and son, of Berwyn, and Charles Cermak, Sr., of Cicero, were Sunday visitors at the home of Mr. and Mrs. Charles Cermak, Jr.

Mrs. Ida Castlberry, of Chicago, spent several days last week with Mrs. Archie Shannon at her Channel Lake home.

Twenty-five persons attended the F. J. Mortensen picnic and family reunion given at the Shady Nook Resort at Channel Lake Sunday. Out of town guests were from Chicago and Norwood Park.

Twenty-four members of the Antioch Woman's Club attended the luncheon and County meeting of the Lake County Federation of Woman's clubs held at the Sky Crest Country club Thursday, September 9.

All disabled veterans are invited to attend a meeting of the Disabled Veterans Association Friday, Sept. 17, at 8 o'clock, at the Antioch Real Estate offices at 915 Main Street, Antioch.

Jack Heick Winner In Chicago Swine Show

In the lightweight market swine division (200-230 lbs) of The Chicago Junior Market Swine Show and Sale held at Chicago yesterday, Jack Heick, a Future Farmer member of The Antioch Township High school, placed 4th with his pen of three Spotted Poland China hogs. This division was by far the largest of the show, having over 200 hogs entered in it.

Around 800 hogs in all divisions were exhibited by Illinois and Wisconsin junior exhibitors.

Jack Heick exhibited 8 animals having 8 animals having a total live weight of 1750 lbs.

Another Antioch exhibitor was Gordon Wells, Jr., who showed 3 hogs weighing 550 lbs.

Both boys sold their hogs for more than the top of the regular market. They were accompanied by their Vocational Agriculture teacher and chapter advisor, C. L. Kutil.
